Favorite thing about AAD: I love the sense of family all All About Dance. It is such an overwhelmingly loving community to be a part of. I love to dance, but my favorite things about AAD are the people I'm dancing with.

A BIG THANK YOU! TO MY...

My team,

This team was the thing in my life that I never knew I needed. Thank you for welcoming me from the very first time I stepped into AAD, and for every moment after that these past two years. To the most random, sincere, hilarious, and talented group of people I know, thank you for all the little things you've done to make my time at AAD so special. You guys will always be my team.

My parents,

I can quite confidently say that I am one the luckiest girls in the world. Mom, thank you for the many years of car rides, volunteering, hair, makeup, recitals, competitions, and everything in between. I truly couldn't have done it without you. Dad, I am so grateful for all that you do so that I can do what I love. Thank you for forever being my #1 fan. I love you guys.

CONGRATULATIONS

Thank you, AAD Company families, for your continued love and support. For all of this and more, we are forever grateful. Thank you to all of the AAD Company teachers - you inspire me every day and I have endless appreciation for everything you do for these dancers. Our dancers are so lucky to have such incredible role models bursting with positivity! Lastly, thank you AAD Company dancers for your dedication, perseverance, and teamwork. You are resilient and your fierce determination throughout the past couple of (crazy) years is what has kept all of your teachers smiling every day. We all love you beyond words. Here's to a bright future!

XOXO, Jen

A MESSAGE FROM OUR FOUNDER, JESSICA!

In 2005 I founded All About Dance with the dream of creating a safe place where all are welcome to come and explore their passion for dance. Over the past 16 years, I've had the honor to work alongside the most incredible humans who've extended that vision into what the studio is today. Together we've trained a lot of dancers and navigated unimaginable obstacles. United by the rhythm the All About Dance and Dance Forever Community has always stayed constant in being the endless source of positive energy, positively impacting lives; one dance step at a time.
